

HÅG's mission is to give movement and variation to the workplace. HÅG products stimulate intuitive and natural movement of the body and variation of sitting postures leading to improved health and productivity.

HÅG Conventio

- A dynamic chair that is specially designed for meetings and conferences.
- The integrated rocking mechanism inspires movement and variation, improving the ability to stay alert and concentrated in long meetings.
- Simple maintenance makes the chair well suited as a general purpose chair for conferences, schools, universities, libraries, canteens, cafés and hotels.
- 4 legged models are stackable: 10-15 chairs can be stacked on top of each other.
